

Oak Lodge Newsletter

7th May 2020

Dear Parents/Carers,

I hope you are all continuing to stay well. I continue to be really impressed by the work being uploaded onto Seesaw and have showcased some of our pupils work this week. Well done on all that is being done and how you are managing to juggle the demands of home and school at the moment. A gold star from all of us here at Oak Lodge!

I know that we all eagerly await some further government guidance on what will be happening with regards to schools opening. I have started to make some provisional plans but obviously that could all change depending on the news we receive. However, the one thing that won't change are the principles that we will have in terms of opening which will include:

- Open and clear communication to all stakeholders, particularly parents/carers.
- The emotional well-being of pupils and staff as a priority.
- Adhering to guidance from the DfE.
- Fair deployment of staff and transparent decision making

We will see what the next week brings ...

As you will all know Friday is a bank holiday and so I have asked teachers not to set work for that day but to put a VE day linked idea up on the website that you can choose to do with your child if you wish. I have also based my idea for the week on this. The weather is looking lovely for Friday so we also totally appreciate it if you want to have the day off and I have suggested to staff that they do the same!

Take care all—I am sending this newsletter with my very best wishes.
